

David Goodall's action plan to keep our area safe

The choice TODAY for our area is clear:

More Conservative cuts and waste

- Tory Councillors voted to cut frontline police numbers
- Cutting the bus pass and axing youth service funding
- Spent £43,000,000 on grand new offices and £223,000 on filming their own meetings

OR

Liberal Democrats making a difference

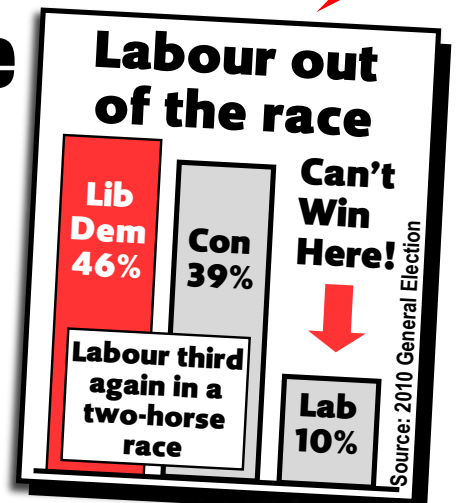

- Freezing Council Tax again to save you money
- Protecting local youth services so young people have somewhere safe to meet friends
- All Lib Dem-run Parish Councils help fund extra PCSOs across the Borough to keep our streets safe

Back with the Conservatives

Forward with the Lib Dems

Labour out of the race here

- ➔ Labour have NO Borough Councillors in Eastleigh and came a distant third last time.
- ➔ Only the Liberal Democrats can beat the Conservatives here.
- ➔ Many Labour and UKIP supporters are backing the Lib Dems this time to oppose Conservative County cuts.

David needs your vote by 10pm TODAY to WIN for our town!

Elections here are always close: just a few votes may separate experienced local Lib Dem campaigner **David Goodall** and the Conservative candidate who quit as a minister over his links to a now jailed £29 million fraudster. Even some Conservatives don't want the Conservative candidate!
